

Towers Fiduciary Welcomes Kemmy Koh, CFA

Singapore, Release Date: January 18, 2019

Towers Fiduciary is delighted to announce the appointment of Kemmy Koh, CFA, as Partner. Towers Fiduciary is a boutique investment management consulting company specializing in the provision of independent fiduciary services to investment funds. Kemmy's appointment is a strong strategic fit and will strengthen our capability by expanding the company's existing core service capacity as well as developing new business initiatives.

Ms. Koh brings over 17 years of hedge fund experience and strategic development expertise. Ms. Koh established and led Pacific Alternative Asset Management Company's ("PAAMCO") Asia office located in Singapore from 2006. She served as sector specialist for the firm's Asia Long/Short Equity portfolio from 2006 to 2017. Her responsibilities included serving as a regional institutional relationship liaison and advising some of the most sophisticated institutional investors and asset managers globally. Ms. Koh was also as a member of the Investment Oversight Committee of PAAMCO.

"I am thrilled that Kemmy has decided to join Towers Fiduciary. Kemmy has the knowledge, experience and professional judgement to provide clients fiduciary services at the institutional standard expected" said Marc Towers, Founder of Towers Fiduciary. "Having worked with Kemmy for many years at PAAMCO, I am excited we will be working together again. Kemmy has demonstrated the highest level of integrity and has a tremendous track record of service excellence and contribution to the organizations she has worked and volunteered for."

"I have a great respect for Marc and the business that he has built at Towers Fiduciary with a commitment to providing strong corporate governance oversight and setting industry best practices." said Ms. Koh. "I have worked closely with Marc during his time at PAAMCO and am looking forward to contributing to Towers Fiduciary's growth and success."

Ms. Koh holds an M.B.A. from University of California, Irvine, a B.B.A. from National University of Singapore and is a Chartered Financial Analyst.
